

Induction / Project Evaluation | Digital

Over the past 4 weeks, you have developed a wide range of (Digital, 2D, 3D) skills. Discuss the skills that you have developed and those which you are MOST confident with:

Although it is still early in the term and there is still much knowledge to gain, discuss the areas that you are still struggling with (Digital, 2D, 3D):

Explain what you were asked to do for your (Digital, 2D, 3D) assignment:

Who was your artist reference and how did they influence your visual outcomes?

Does your work look similar to the artist reference? If so how? If not, what are the differences?

Was there a particular image or piece of work from the artist reference that you used for inspiration when producing your outcomes? Discuss this image or piece of work and explain why it inspired you.

What could you improve about your work? And how can you improve it?
